## CHARITY FUNDRAISERS

The Niagara Golf Marathon and Niagara Cycling Marathon are fundraising events geared towards supporting charities across Niagara. Annually, a dedicated group of community minded leaders challenge themselves by golfing 100 holes in 1 day and/or cycling 120km across the beautiful landscape of Niagara to raise money for charities!

Proceeds from these events will be donated to Niagara Health Foundation, Community Care of St. Catharines & Thorold, Ronald McDonald House Charities of South Central Ontario, Bethlehem Housing and Support Services, Mainstream, Hospice Niagara and the Kristen French Child Advocacy Centre. Your generosity and support will help improve the overall healthcare and wellbeing of our communities.

To date, we have raised over **\$1,100,000** for charities across Niagara!
